## Be with innovation

Host your event in a unique environment surrounded by world-leading innovation projects and equipment driving built environment transformation, including:

- The world's first 90% recycled brick wall
- The UK's only full-scale vacuum press
- COP26 homegrown demonstrator
- Offsite manufacturing line
- NearHome pod
- Passivhaus training rigs
- Industrial-scale robotic arm and cobots
- A range of AR, VR and other technologies

---

## How to find us

Located 15 miles south east of Glasgow on the A725, BE-ST is well-connected in Scotland's central belt by the motorway network – M74, M8 and M77 – and is well served by both bus and rail services.

**Train:** Glasgow Central to Blantyre or Hamilton West

**Bus:** First Bus service 263 operates from Glasgow's Buchanan Bus Station to High Blantyre. [View timetable.](#)

**Parking:** Free parking available on site.

Note: electric vehicle charging is not yet available on site while we await an infrastructure upgrade.
